

Vision

The MMTTP envisions creating a transformative impact on India's higher education ecosystem by empowering educators to:

-  **Achieve Excellence:** Equip teachers with the skills to inspire and innovate.
-  **Lead Change:** Foster leadership to guide institutions toward new frontiers.
-  **Nurture Inclusivity:** Cultivate empathy, ethics, and equity in education.

Objective

MMTTP is built on a strong foundation of purpose-driven goals:

-  **Enhancing Educational Standards:** Improve the quality of teaching and learning at all levels.
-  **Empowering Educators:** Provide tools and resources for holistic faculty development.
-  **Fostering Leadership:** Identify and develop future leaders in academia.
-  **Promoting Inclusive Education:** Address diverse student needs, including specific learning disabilities.
-  **Bridging Knowledge Gaps:** Equip educators with latest pedagogical advancements and global trends.

Benefits of Joining MMTTP

-  **Accessible and Inclusive:** All programmes are offered free of cost, ensuring accessibility to all educators.
-  **Career Advancement:** Programme participation counts toward the Career Advancement Scheme (CAS).
-  **Collaborative Network:** Offers the opportunity to be part of a dynamic community of educators across India.
-  **Expert Guidance:** Gain insights from renowned education experts with extensive experience

The Malaviya Mission Teacher Training Programme is about building a brighter education system for our nation.

Together, let's elevate education to new heights.

**Department of Higher Education
Ministry of Education
Government of India**

**MALAVIYA MISSION
TEACHER
TRAINING PROGRAMME**

In the ever-evolving realm of education, teachers are the cornerstone of progress. The **Malaviya Mission Teacher Training Programme (MMTTP)** is a pioneering effort to **empower educators, enabling them to deliver quality, inclusive, and forward-looking education.** Aligned with the vision of the **National Education Policy (NEP) 2020**, MMTTP emphasizes excellence, leadership, and innovation in higher education.

Different Programmes under the Malaviya Mission Teacher Training Programme

1 NEP Orientation and Sensitization Programme
Introduces key themes of NEP 2020 like, holistic education, leadership, inclusivity, and ICT to drive transformative change.

2 Faculty Induction Programme (GURU-DAKSHTA)
A comprehensive induction course for new faculty members, emphasizing their pivotal role in student development.

3 Short-Term Programmes
Focused workshops on emerging trends and challenges in education.

4 Refresher Courses
Regularly updated courses that keep educators in sync with advancements in their fields.

5 Nurturing Future Leadership Programme
A selection-based initiative designed to groom academic leaders to drive institutional excellence.

6 Academic Leadership Programme
Equips academic leaders with skills in leadership, decision-making, strategic planning, and resilience to drive growth and tackle key higher education challenges.

7 Capacity Building for Design and Entrepreneurship
Equips faculty to foster design thinking and entrepreneurship to support the students pursuing entrepreneurship careers.

8 Capacity Building on Specific Learning Disabilities
Equips institutions with the capacity to foster inclusion of students with specific learning disabilities.

9 Capacity Building Programme for Promoting Positive Mental Health Resilience & Wellbeing in HEIs
Trains HEI faculty to promote student mental health, share best practices, and collaborate with experts on mental health resilience.

10 Capacity Building Programme on Cyber Security
Provides Basic and Intermediate cybersecurity training to educators, enhancing digital security and resilience in institutions.

11 Capacity Building Programme on Artificial Intelligence
Equips faculty and academic leaders with AI skills to enhance teaching, research, and support NEP 2020 goals. The programme will be starting shortly.

12 Capacity Building Programme on STEM
Enhances faculty's STEM teaching skills including innovative methods and technology to improve teaching, student performance, and foster research and inclusion. The programme will be starting shortly.

13 Capacity Building Programme for Training Administrative Staff
Empowers administrative staff with skills in governance, finance, and regulations to enhance efficiency, support faculty, and improve institutional performance. The programme will commence in February 2025.

14 Capacity Building Workshop on Science Communication for STEM Faculty
Aims to bridge the gap between scientific research and the public by enhancing science communication skills, helping faculty make complex concepts accessible to students, policymakers, and the public. The programme starts in March 2025.

15 Teacher Connect Programme
2-day initiative focusing on emerging areas and addressing specific needs. The program will be curated and decided by the PAB.
