

The Teaching Learning Centre (TLC), IIT Madras has launched an in-person Capacity Building Program on STEM (Physics, Chemistry, Mathematics, and Biotechnology), organized under the Malaviya Mission Teacher Training Programme (MMTTP). This 9-day residential training program, conducted at IIT Madras, is designed specifically for undergraduate and postgraduate teachers who are teaching Physics, Chemistry, Mathematics, and Biotechnology subjects to enhance their conceptual understanding, pedagogical skills, and to foster a collaborative and research-oriented learning environment.

Upcoming Training Program Dates:

- **Biotechnology:** 22nd August 2025 to 30th August 2025 (**Registrations Closed**)
- **Chemistry:** 7th October 2025 to 17th October 2025
- **Physics:** Batch 1: 11th 2025 to 19th November 2025
- **Physics:** Batch 2: 20th 2025 to 28th November 2025
- **Mathematics:** 15th December 2025 to 24th December 2025

Program Details:

-  **Venue:** TLC Hall, Central Library, IIT Madras, Chennai
-  **Duration:** 9 days, residential
-  **Batch Size:** 50 participants (First Come First Serve basis - Limited Seats).
-  **Eligibility:** College teachers/faculty teaching Biotechnology, Chemistry, Physics and Mathematics at UG/PG level
-  **Mode:** Residential (**Accommodation will be provided for FREE of cost**)
