

## Pedagogy

The programme will adopt a blended pedagogical approach, combining interactive lectures and group discussions. This methodology ensures experiential learning and the practical application of concepts for effective e-content creation and use of digital educational platforms.

## Schedule of the Program :

The Short Term Training Programme (FDP) will span 06 working days, featuring two live online sessions. The evaluation method in the programme will be an MCQ consisting of 20 questions which every participant will have to qualify.

## Guidelines for Participants :

- All participants should register on the Malviya Mission Teacher Training Portal [<https://mmc.ugc.ac.in>]
- Upload all the required documents, without them you will not be able to enroll in the programme. Participants need to actively participate in all sessions.
- An online certificate will be issued only to those participants who have successfully completed the programme and have qualified for assessment.

## Registration : (No Registration Fee)

Participants need to register on the Malviya Mission Teacher Training Portal <https://mmc.ugc.ac.in/> and select **Iswar Saran PG College, Prayagraj** as the training centre.

### UGC-Malaviya Mission Teacher Training Centre :

The UGC-Malviya Mission Teacher Training Centre at Iswar Saran PG College has been established in September 2023 under the scheme of Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMNMTT), Ministry of Education, Govt. of India. The UGC-MMTT Centre frequently organizes training programmes to groom faculty for NEP-2020, analytical skills, communication skills, honesty, integrity, human rights, gender sensitization and commitment to social justice. The mission of this UGC-MMTT Centre is to impart comprehensive training for instilling professionalism, competency and humanism in the teachers of Higher Education.

### About the Programme :

The Short-Term Training Programme (STP) on E-content Development and e-Edu-Platforms, organized by UGC-MMTTC, ISPGC, is designed to equip faculty members with essential skills in digital pedagogy. In light of the increasing integration of technology in education, this programme aims to strengthen participants' ability to design and deliver engaging, high-quality e-content. Participants will receive practical training in the use of prominent educational platforms such as SWAYAM, MOOCs, Google Classroom, and various Learning Management Systems (LMS). The programme also offers insights into

multimedia content creation, instructional design, and effective assessment techniques for digital environments. Through interactive sessions led by distinguished experts from academia and tech-industry. The training encourages innovative teaching practices aligned with the learner-centric and technology-driven goals of the National Education Policy (NEP) 2020. This programme not only enhances digital competence but also empowers educators to contribute meaningfully to the transformation of India's higher education landscape. The programme is open to faculty members from all disciplines in higher education institutions.

### Objectives :

The primary objectives of the STP on E-content Development and e-Edu-Platforms are:

- To enhance digital teaching competencies among faculty members.
- To introduce fundamental principles of e-content design and development.
- To acquaint participants with platforms such as SWAYAM, MOOCs, and various LMS tools.
- To build practical skills in multimedia content creation for virtual classrooms.
- To promote the effective integration of educational technology in pedagogy.
- To train faculty in assessment strategies suitable for online and blended learning.
- To encourage the development of learner-centric and interactive digital content.
- To align teaching practices with the vision and objectives of NEP 2020.
- To foster creativity and innovation in online and blended learning models.
- To support continuous professional growth in the realm of digital education.

### Content Outlines :

- **Introduction to E-Content** – Understanding the types, structure, and importance of e-content in modern pedagogy.
- **Learning Management Systems (LMS)** – Practical training on platforms such as Moodle, Google Classroom, and Canvas.
- **SWAYAM and MOOCs** – Overview of features, content development, uploading, and management of online courses.
- **Assessment and Evaluation Techniques** – Designing quizzes, assignments, and providing meaningful feedback in digital environments.
- **Innovations in Digital Education** – Exploring emerging technologies and trends transforming online teaching and learning.
- **Open Educational Resources (OER)** – Discovering and integrating freely available educational content into course design.
- **Digital Pedagogy and NEP 2020** – Understanding the pedagogical changes advocated by the National Education Policy-2020.
- **Multimedia Tools for Content Creation** – Application of audio, video, animation, and graphics to enhance learner engagement.
- **Content Quality and Accessibility** – Ensuring inclusive, ethical, and universally accessible e-content.
