Refresher Course(Offline) On

“Literature Beyond Boundaries”: Multidisciplinary Approaches to Literary Studies

Organized by

UGC-Malaviya Mission Teacher Training Centre, Tezpur University

In collaboration with

Department of Assamese, Tezpur University

01 - 14 September 2025

About the Course

The proposed refresher course, titled “Literature Beyond Boundaries: Multidisciplinary Approaches to Literary Studies,” seeks to explore these intersections with a particular emphasis on Assamese literature and its engagement with a wide range of disciplines and cultural forms. The event aims to bring together scholars, artists, and practitioners from various fields to foster critical dialogues that reflect the complex interrelationship between literature and society. Through a series of lectures, discussions, and presentations, this initiative will examine how literature interacts with other fields of knowledge and creative expression—how it draws from them, dialogues with them, and contributes to them.

Objectives

- To foster cross-disciplinary engagement in literary studies
- To reimagine literature in the context of cultural production, technological change, and socio-political realities
- To underscore the continuing relevance of literary imagination in contemporary discourse
- To create a collaborative academic platform that bridges disciplines and institutions
