## DMS, IIT Delhi

The Department of Management Studies (DMS), IIT Delhi, was established in the year 1993. For the last three decades, it has fulfilled its aim of creating holistic managers in the backdrop of changing Indian business environment and industry. DMS offers full-time MBA programs & welcomes working executives to its part-time/executive MBA program. It also offers full-time & part-time PhD to management scholars. The department has been the founding ground of various start-ups, such as Takshashila, Grandmasters of Comedy, WEE Education and others. Its corporate partners include Bain & Co., Capgemini, Wipro, TATA etc.

DMS IIT Delhi ranked 5th in the National Institutional Ranking Framework 2023 ranking

## Pedagogy

All themes and topics will be covered using active learning techniques such as panel discussions, audio-visual aids, case studies, practical exercises, and problem-based learning scenarios. Collaborative workshops and peer-learning will be integral, encouraging faculty to share experiences, challenges, and strategies, thereby cultivating a community of practice.

## Program Contents (Tentative)

Embark on a transformational journey @IIT Delhi, where academicians come together to discover visionary insights and innovative practices in sessions meticulously designed to inspire and empower leadership. The program will include 4 sessions of about 1.5 hours each for 5 days. The themes and topics of these sessions include -

- Guiding principles for modern leaders
- Academic leadership
- Inclusiveness and academic culture
- Emotional intelligence and well-being in academia
- Academic branding
- Re-thinking pedagogy for higher education
- Challenges and strategies in higher education

”

**Making  
everyone a  
Leader**

“
