Background

The NEP 2020 emphasizes the importance of skilled faculty in Higher Education. Capacity building for teachers is prioritized, utilizing existing mechanisms like UGC-HRDCs and Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching Centres. Continuous professional development is crucial given the evolving nature of education. The Nurturing Future Leadership Programme (NFLP) is designed to equip faculty members with the necessary skills and competencies to excel in both current and future leadership roles within Higher Education Institutions (HEIs). The programme focuses on developing technical, managerial, and interpersonal skills essential for effective leadership in shaping the education landscape for future generations.

IIM Bodh Gaya

Situated in the Land of Enlightenment Bodh Gaya, the Indian Institute of Management Bodh Gaya (IIM Bodh Gaya), affectionately known as #EnglighteningIIM, stands as a modern epitome of profound knowledge and academic excellence. This prestigious institution is not just geographically, but also spiritually and academically, rooted in the land of Nalanda. IIM Bodhgaya was founded in 2015 with a vision to create socially responsible mindful leaders under the Ministry of Education of India at the land of enlightenment: Bodh Gaya.

The first batch started with 30 students with only one flagship PGP program in 2015-16. At present, it has more than 1,400 students across five long duration residential programmes which includes representation from 293 cities, 26 states across India & abroad which makes us among top five amongst IIM's with respect to students enrolment. IIM Bodh Gaya Core Values are Responsibility, Honesty and Integrity, Life-long Learning, and Mindfulness. The permanent campus of IIM Bodh Gaya phase 1 has been constructed over an area of 60,378 square meters. IIM Bodh Gaya acts as a catalyst in promoting Internationalization facilitating the bilateral flow of knowledge and values through exchange programs, faculty engagements and research tie-ups through partnerships with 37 business schools and universities spread across the 05 continents.

Program Design

As a future leader, a faculty needs to deliver to its students. Not only the content but also the pedagogy is critical in this aspect. In addition to meaningful research, they must prepare themselves for administrative responsibilities. Keeping these in mind, we focus on three aspects.

Leadership Development

- NEP 2020, Ranking & Accreditation
- Partnering for Social Impact & Sustainability
- Managing Stakeholders
- Indian Knowledge System

Managing Self

- Teamwork
- Mindfulness
- Know Yourself
- Design Thinking
- Stress & Wellbeing
- Emotional Intelligence
- Developing Personal Vision
- Critical Thinking & Innovation
- Priority Setting & Time Management

Capacity Building

- Research Skills
- Case Study Teaching
- Effective Communication
- Developing Project Proposal
- Gamification & Stimulation
- Negotiation & Conflict Management

Pedagogy

Each session is for 75 minutes, with a break of 15 minutes. Each day, there will be 5 sessions. Beverages and snacks will be provided during the break. We will use various pedagogies to facilitate learning. Some of them are provided below.
