# NURTURING FUTURE LEADERS PROGRAM (NFLP)

---

March 17 - 21, 2025

T A Pai Management Institute (TAPMI), Manipal

## About TAPMI

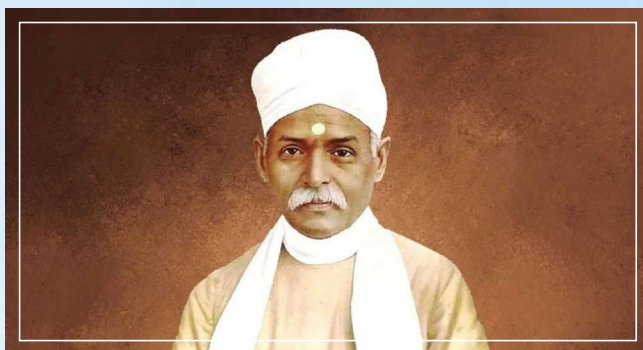

T.A. Pai Management Institute (TAPMI), Manipal, is a premier institution recognized for its experiential learning, innovative teaching methodologies, and deep industry engagement. With a strong emphasis on faculty development, TAPMI helps educators enhance their teaching effectiveness, integrate technology in the classroom, and build leadership skills to shape the future of higher education.

## TAPMI Centre for Executive Learning (TCEL)

The TAPMI Centre for Executive Learning (TCEL) is dedicated to faculty development, executive education, and leadership training. It offers programs that redefine classroom experiences through active learning, case-based teaching, and digital transformation, helping educators build engaging, student-centered learning environments.

## About the Program

The Nurturing Future Leaders Program (NFLP) is a five-day immersive faculty development initiative designed to equip educators with cutting-edge teaching techniques, leadership strategies, and innovative classroom practices.

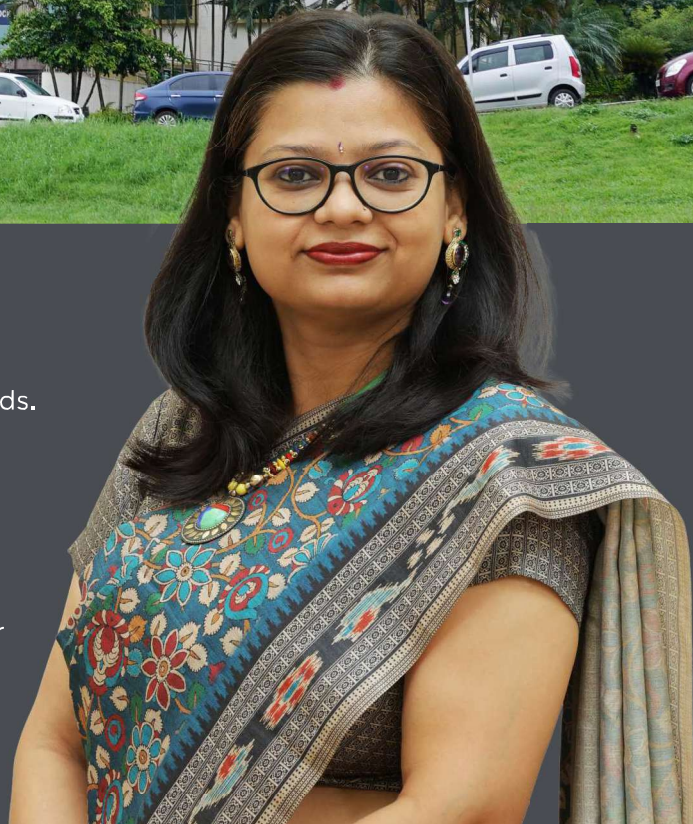

Under the Malaviya Mission Teacher Training Programme (MMTTP) by the Ministry of Education, this initiative empowers faculty members to enhance their classroom impact, foster student engagement, and lead institutional growth.

## Key Learning Outcomes:

- Transform Teaching Approaches – Integrate active learning, case-based teaching, and experiential methods.
- Enhance Student Engagement – Use simulations, gamification, and interactive tools for deeper learning.
- Strengthen Leadership & People Skills – Improve collaboration, communication, and conflict resolution.
- Optimize Classroom & Institutional Resources – Master financial and operational efficiency in academia.
- Leverage Data & Digital Tools – Apply analytics and technology to enhance decision-making.

# Program Structure

(March 17 - 21, 2025)

Each day consists of four interactive sessions (90 minutes each) featuring case discussions, role-plays, hands-on workshops, and experiential learning.

## Day 1: Transforming Teaching for a Better Classroom Experience

- **Session 1:** The Future of Higher Education Classrooms – Rethinking Teaching Strategies
- **Session 2:** Experiential Learning in Higher Education – Engaging Students Through Real-World Applications
- **Session 3 & 4:** The Case Method – Structuring Effective Discussions for Maximum Student Learning

## Day 2: Leadership & Collaboration in Academia

- **Session 1:** People & Communication Skills for Academic Leaders – Building Stronger Faculty-Student Relationships
- **Session 2:** Mastering Communication – Essential Leadership Skills for Academic Success
- **Session 3:** Institutional Governance & Decision-Making – Balancing Academic Freedom & Administrative Roles
- **Session 4:** Team Building & Conflict Resolution – Enhancing Collaboration in Academic Settings

## Day 3: Technology in Teaching

- **Session 1:** Blended Learning & Digital Tools – AI, Virtual Classrooms, and Adaptive Learning

- **Session 2:** Using Analytics to Enhance Student Performance & Institutional Growth
- **Session 3 & 4:** Simulations in Teaching – Enhancing Decision-Making and Problem-Solving Skills

## Day 4: Operational Excellence & Industry-Academia Collaboration

- **Session 1:** Optimizing Operations – Planning & Capacity Management for Higher Education Institutions
- **Session 2:** Aligning Curriculum with Industry Needs – Strengthening Employer-Academia Partnerships
- **Session 3:** Entrepreneurial Thinking in Academia – Encouraging Innovation & Research
- **Session 4:** Assessment & Feedback Strategies – Rethinking Traditional Exams & Student Evaluations

## Day 5: Vision for the Future & Leadership Development

- **Session 1:** Faculty Leadership & Career Development – Roadmap for Academic Success
- **Session 2:** Strategic Planning for Higher Education Institutions – Best Practices from Global Universities
- **Session 3:** Final Presentations & Leadership Showcase – Applying Learnings to Classroom & Institutional Growth

**Session 4:** Valedictory & Certificate Distribution

## Who Should Attend?

- Faculty members from universities, IIMs, IITs, NITs, AICTE/UGC-accredited colleges, and research institutions.
- Educators looking to integrate active learning, simulations, and case-based teaching into their classrooms.
- Faculty interested in leadership roles and improving institutional decision-making.
- Anyone passionate about transforming higher education and improving student learning experiences.

## Why Attend?

- Certification from TAPMI under the Malaviya Mission Teacher Training Programme (MMTTP).

- Hands-on training with experiential learning, simulations, and case-based teaching methodologies.
- Insights from top educators and industry leaders on digital learning and leadership strategies.
- Networking with peers and experts across India's higher education ecosystem.
- Immediate classroom application of best practices in engagement, assessment, and resource management.

## Registration & Fees

- Program Fee: Fully sponsored by the Ministry of Education (Includes tuition, accommodation, and meals).
- Travel Costs: To be covered by participants' Institutions.
