on
**Nurturing Future Leadership
Programme (NFLP)**

Under the aegis of
Malaviya Mission Teacher Training
Programme (MMTTP)

26 – 30 September 2025

About IIT Roorkee

The Indian Institute of Technology (IIT) Roorkee, celebrated as the oldest institute of national importance in India, recently marked its 177th anniversary. It offers a diverse range of programs not only in engineering and sciences but also in architecture, humanities, and management, with a focus on interdisciplinary fields such as Data Science, Artificial Intelligence, Robotics, Sustainability, and Environmental Sciences.

For more details, please visit <https://www.iitr.ac.in>

Malaviya Mission Teacher Training Programme (MMTTP)

The MMTTP, conceived by the education sector, aligns with the vision of the National Education Policy (NEP) 2020, which underscores the importance of nurturing motivated and skilled faculty, promoting a learner-centric teaching approach, and fostering collaboration among educational institutions.

The MMTTP necessitates capacity building for faculty at all levels of higher education and empowers.

By nurturing leadership potential within young faculty, Higher Education Institutions (HEIs) can act as springboards for national success.

The MMTTP aims to empower young faculty members, preparing them to take on future academic leadership roles and contribute to India's higher education ecosystem.

Programme Learning Objectives

- This program aims to develop leadership qualities in future academic leaders, fostering excellence in teaching, research, and institution building to meet societal needs. The key objectives are:
- **Cultivating leadership skills** among young faculty members to support their **personal and professional growth** early in their careers.
- **Empowering leaders** to create **inclusive, cross-cultural, and multidisciplinary learning environments**.
- Equipping participants with the ability to assess and develop essential **leadership competencies** for academic success.

Resource Persons

Eminent academicians of repute, academic administrators and industry leaders shall share their experiences in the programme.

Programme Coverage: The programme will cover the following:

- ❑ Institutional Leadership & Strategic Growth
- ❑ Research, Innovation & Industry Collaboration
- ❑ Ethics, Values & Sustainable Development
- ❑ Finance, Resource & Capacity Building
- ❑ Decision-Making, Crisis & Conflict Management
- ❑ Communication, Teamwork & Diversity
