Background

The NEP 2020 emphasizes the importance of skilled faculty in Higher Education. Capacity building for teachers is prioritized, utilizing existing mechanisms like UGC-HRDCs and Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching Centres. Continuous professional development is crucial given the evolving nature of education. The Nurturing Future Leadership Programme (NFLP) is designed to equip faculty members with the necessary skills and competencies to excel in both current and future leadership roles within Higher Education Institutions (HEIs). The programme focuses on developing technical, managerial, and interpersonal skills essential for effective leadership in shaping the education landscape for future generations.

IIM Bodh Gaya

Situated in the Land of Enlightenment Bodh Gaya, the Indian Institute of Management Bodh Gaya (IIM Bodh Gaya), affectionately known as #EnlighteningIIM, stands as a modern epitome of profound knowledge and academic excellence. This prestigious institution is not just geographically, but also spiritually and academically, rooted in the land of Nalanda. IIM Bodh Gaya was founded in 2015 with a vision to create socially responsible mindful leaders under the Ministry of Education of India at the land of enlightenment: Bodh Gaya.

The first batch started with 30 students with only one flagship PGP program in 2015-16. At present, it has more than 1,400 students across five long duration residential programmes which include representation from 293 cities, 26 states across India & abroad which makes us among top five amongst IIM's with respect to students enrolment. IIM Bodh Gaya Core Values are Responsibility, Honesty and Integrity, Life-long Learning, and Mindfulness. The permanent campus of IIM Bodh Gaya phase 1 has been constructed over an area of 60,378 square meters. IIM Bodh Gaya acts as a catalyst in promoting internationalization facilitating the bilateral flow of knowledge and values through exchange programs, faculty engagements and research tie-ups through partnerships with 37 business schools and universities spread across the 05 continents.

Director's Vision

Although academia is blessed with a sizeable workforce, they are frequently unable to achieve their full potential, climb the ladder and reach leadership positions in their respective fields. Apart from capacity building, the programme is designed to disseminate the expertise and experiences of individuals who have defied the glass ceiling and established themselves as role models. This edition of the Nurturing Future Leadership Programme is dedicated to providing a curated learning experience that is specifically tailored to aspiring leaders.
