

A 5 DAY RESIDENTIAL PROGRAMME ON **NURTURING FUTURE LEADERSHIP PROGRAM (NFLP)**

Under the aegis of
Malviya Mission Teacher Training Programme (MMTTP)
Ministry of Education, Government of India

23 - 27 March, 2026

About IMI Delhi

Nestled in the Qutab Institutional Area, International Management Institute now IMI Delhi was established in 1981 as the first corporate-sponsored business school of India in collaboration with IMI Geneva (now IMD Lausanne). In the last several years, IMI Delhi has been consistently ranked in the top 10-15 Business Schools in the country and among the top 5 private Business Schools.

IMI's faculty members bring together a wealth of academic knowledge and corporate experience. This dynamic and highly qualified team is dedicated to providing outstanding management education, as well as expertise in training, research, and consultancy services.

Learning Objectives (NFLP)

This program's core objectives are designed to:

- **Accelerate** the personal and professional development of young faculty by cultivating leadership skills early in their careers.
- **Cultivate** learning environments that are inclusive, cross-cultural, and multidisciplinary, empowering leaders to shape the future of academia.
- **Train** participants' ability to evaluate and build the specific leadership competencies critical for achieving and maintaining academic excellence.

Malviya Mission Teacher Training Programme (MMTTP)

The MMTTP, conceived by the education sector, aligns with the vision of the National Education Policy (NEP) 2020, which underscores the importance of nurturing motivated and skilled faculty, promoting a learner-centric teaching approach, and fostering collaboration among educational institutions. The MMTTP necessitates capacity building for faculty at all levels of higher education and empowers. By nurturing leadership potential within young faculty, Higher Education Institutions (HEIs) can act as springboards for national success. The MMTTP aims to empower young faculty members, preparing them to take on future academic leadership roles and contribute to India's higher education ecosystem.
