IIM Bodhgaya

Situated in the Land of Enlightenment Bodh Gaya, the Indian Institute of Management Bodh Gaya (IIM Bodh Gaya), affectionately known as #EnlighteningIIM, stands as a modern epitome of profound knowledge and academic excellence. This prestigious institution is not just geographically, but also spiritually and academically, rooted in the land of Nalanda. IIM Bodh Gaya was founded in 2015 with a vision to create socially responsible mindful leaders under the Ministry of Education of India at the land of enlightenment: Bodh Gaya.

The first batch started with 30 students with only one flagship PGP program in 2015-16. At present, it has more than 1,400 students across five long duration residential programmes which include representation from 293 cities, 26 states across India & abroad which makes us among top five amongst IIM's with respect to students enrolment. IIM Bodh Gaya Core Values are Responsibility, Honesty and Integrity, Life-long Learning, and Mindfulness. The permanent campus of IIM Bodh Gaya phase 1 has been constructed over an area of 60,378 square meters. IIM Bodh Gaya acts as a catalyst in promoting internationalization facilitating the bilateral flow of knowledge and values through exchange programs, faculty engagements and research tie-ups through partnerships with 37 business schools and universities spread across the 05 continents.

Nurturing Future Leadership Programme

In order to nurture faculty at different level particularly at the early stage of their career, thereby creating a pool of potential leaders for generational transition, the Ministry of Education has conceptualised faculty leadership development programme namely 'Nurturing Future Leadership Program', under the aegis of Malaviya Mission Teacher Training Programme (MMTTP). This is a prestigious, selection-based leadership development programme which is open for all levels of faculty from Centrally-Funded Institutes, State Public University and Private HEIs. This 5 day residential programme will be delivered by eminent institutes having expertise in running management/ leadership courses.

Programme Objectives

1. To build ecosystem to inculcate leadership skills in faculty members at levels early in their career to advance both individual and organizational goals
2. To expand the pool of potential leaders for the range of leadership positions
3. To prepare faculty to contribute effectively and proactively in collective decision-making, shared governance, developing initiatives, problem solving
4. Training of faculty through a comprehensive and rigorous selection process to ensure only the most qualified individuals participate.
5. Enabling institute administration to assess leadership quality of their faculty through this program

Expected Outcomes:

1. Improvement in the team management, communication skills, and critical thinking of participants
2. Dissemination of learnings from the programme to encourage other institutions to organise similar development programmes for their faculty
3. Creation of a pool of trained institutional leaders
4. Improvement in administration of higher education institutions

Participants and Eligibility

Faculty from centrally-funded institutes, Institutes of National Importance, as well as UGC and AICTE-recognized universities, colleges, and standalone institutes.

Conscientious Citizenship**

Director's Vision

Although academia is blessed with a sizeable workforce, they are frequently unable to achieve their full potential, climb the ladder and reach leadership positions in their respective fields. Apart from capacity building, the programme is designed to disseminate the expertise and experiences of individuals who have defied the glass ceiling and established themselves as role models. This edition of the Nurturing Future Leadership Programme is dedicated to providing a curated learning experience that is specifically tailored to aspiring leaders.

Prof. Vinita S. Sahay
Director, IIM Bodh Gaya

Why this course is for you?

- Sessions by some eminent women academicians from across India.
- Capacity building for research, teaching and administrative roles.
- Relevant examples of maneuvering from Academic leaders.
- Platform for identifying and exploring opportunities.
- Gateway to collaboration and networking with like-minded leaders and academicians.
- Cultural experience involving Indian Knowledge System through visits such as to the World Heritage Site of Mahabodhi Temple and the Nalanda Ruins.
