About SPJIMR

S P Jain Institute of Management and Research (SPJIMR) is a leading school of management in the heart of India's financial centre, Mumbai. SPJIMR is a part of the Bhartiya Vidya Bhavan and functions as an autonomous institute with entrepreneurial agility. It consistently ranks amongst the top ten management institutes in India.

Inaugurated in 1981 by the then British Prime Minister, the Late Hon. Margaret Thatcher, SPJIMR's mission is to Influence Practice and Promote Value-based Growth. It builds on this mission through pedagogic innovations and pioneering programmes, carving a distinctive path in management education. SPJIMR has acquired the reputation of meeting societal needs of under-managed sectors by offering unique, purposeful and relevant initiatives.

In addition to our Mumbai campus, we also have a state-of-the-art Executive Education Campus in KG Marg, near India Gate, New Delhi.

S P Jain Institute of Management & Research is ranked #3 in India & 35 Globally in FT Global – Masters in Management Ranking 2025. The Week and Business World ranked SPJIMR #1 in All India Private B School. Business Today / India Today's 2025 rankings, SPJIMR is #5 in Top B-Schools for Executive Management Courses and #2 in the private category.

SPJIMR has been awarded accreditation by the prestigious AACSB International - The Association to Advance Collegiate Schools of Business. SPJIMR is rated by PIR Association as one of the top 4 schools worldwide for positive social impact and sustainability achievements consecutively for 2 year (2021 & 2022). SPJIMR has once again achieved the highest "Level 5" rating in the Positive Impact Rating report for 2023.

SPJIMR is part of an elite group of institutions globally to achieve the prestigious 'Triple Crown' of accreditations (AACSB, AMBA, EQUIS), placing it among the top 1% of global business schools.

SP Jain Institute of Management and Research offers highly acclaimed Management Development Programmes (MDPs), that centre around key business fundamentals like SCM, Emerging Leaders, Design Thinking, Managerial Effectiveness, Team Building, Sales & Marketing skills, Management of Organisational Change, etc. to emerging issues like Big Data, Creativity & Innovation, Diversity & Inclusion and Leadership. The pedagogy employed involves a variety of teaching methods: case studies, design thinking, simulations, role plays, closed group analyses, and applied learning projects, interspersed with lecture sessions on theory and practice.

Malaviya Mission Teacher Training Programme (MMTTP)

The evolution of higher education under the National Education Policy (NEP) 2020 emphasizes the importance of nurturing motivated and skilled young faculty members, promoting a learner-centric teaching approach, and collaboration among educational institutions and organizations. To achieve the objectives of NEP 2020, capacity building of faculty across all levels of higher education is vital. The Malaviya Mission empowers all faculty, equipping them to excel in research, inspire students, and become catalysts for the next generation of impactful leaders. It's not just building educators; it's shaping a leadership landscape for a brighter future. By nurturing leadership potential within young faculty, higher education institutes (HEIs) can act as springboards for future national success. This program aims to empower young faculty by equipping them with the necessary skills & knowledge to prepare them as future academic leaders.

Programme Objectives

The Nurturing Future Leadership Program (NFLP) by the Ministry of Education, Government of India, aims to identify and cultivate leadership potential among faculty and students. It focuses on fostering essential skills such as critical thinking, innovation, ethical decision-making, and social responsibility. By preparing students for leadership roles across diverse fields, the program aligns with the National Education Policy (NEP) 2020, promoting holistic development and empowering individuals to contribute effectively to nation-building and global challenges.

Programme Pedagogy

SPJIMR pedagogical approach is centered around providing hands-on, experiential learning opportunities that bridge the gap between theoretical knowledge and practical application by integrating real-world case-studies, industry projects, and simulations. This prepares the participants to navigate complex business environments effectively.

NFLP Participant Reflections

Great learning experience, excellent course content, brilliant faculty, and an amazing campus. Special mention to the professionalism displayed by the supporting staff including catering, security, and hostel teams. Well done SPJIMR team.” — **Prof. Chandrasekharan Sukumaran**, Government Medical College Kozhikode, Kerala University of Health Sciences

I learnt many things from the session especially the non-violent communication, self-compassion. I had a nice experience with the persons from all over India. The hospitality provided SPJIMR was very nice
—**Dr. Sakthi P**, M. Kumarasamy College of Engineering-Anna University

“The NFLP training at SPJIMR has been an exceptional and truly transformative experience. The program offered a perfect blend of mindful leadership, self-reflection, and practical insights highly relevant in today’s academic environment. The facilitators created an atmosphere of openness and inspiration. This journey has significantly enhanced my leadership outlook and emotional intelligence. I feel empowered and motivated to lead with purpose.” — **Prof. Komal Priya**, School of Allied Health Sciences, SGT University, Gurugram
