## XIII<sup>TH</sup> NURTURING FUTURE LEADERSHIP PROGRAM

Under the aegis of  
Malaviya Mission Teacher Training Programme  
22nd February 2027 - 26th February 2027

Organised by  
Malaviya Mission Teacher Training Centre  
Indian Institute of Technology (Indian School of Mines) Dhanbad

## Introduction

As India's global role expands, effective leadership development in higher education is essential for students and faculty. Faculty leadership training can prepare educators for institutional leadership while strengthening teaching, research, and their ability to develop leadership skills among students, contributing to national development.

The National Education Policy (NEP) 2020 also emphasises the need for strong institutional leadership by advocating that:

- Faculty excellence should be recognised through rewards, promotions, and opportunities for institutional leadership.
- Higher education institutions need outstanding leaders who promote excellence and innovation.
- Promising and outstanding faculty should be identified early and developed through a leadership ladder.

## About the Program

The Ministry of Education has conceptualised the Nurturing Future Leadership Programme (NFLP) under MMTTP to nurture faculty, particularly at early career stages, and develop a pool of future institutional leaders for generational transition.

Envisioned as “Everyone a Leader,” the programme promotes an empowered, open, and participative culture. It is a prestigious, selection-based leadership development programme open to faculty at all levels of higher educational institutions.
